### Publicity Release Form

Dear Parent/Guardian:

Photos, videotapes footage and personal interviews with WCCS students who are involved in various school-related activities are often used as part of the district's community relations efforts (e.g. district publications, local television programs, and on the school district's website).

By signing this you are granting permission to the School District to photograph or videotape the person named. The photographs would be used in school-related publications, such as the district calendar, newsletter, district website and local media.

Westminster Community Charter School is sincere in its commitment to keep the public informed of the programs, activities, and events that are taking place in our schools. Without your permission, your child cannot be part of this endeavor. However, in situations in which large groups are participating, it is impossible not to photograph certain students. Therefore, we cannot prevent the use of photos that unintentionally include your child.

DO consent to have a photograph, video or information that includes my child submitted in releases for publication and public distribution.

I DO NOT consent to have a photograph, video or information that includes my child submitted in releases for publication and public distribution.
